Background:

The No Child Left Behind Act of 2001 (NCLB), a reauthorization of the Elementary and Secondary Education Act (ESEA)/Improving America's Schools Act (IASA), was signed into law on January 8, 2002. NCLB continues many of the goals set forth in IASA and incorporates additional principles and strategies for strengthening the pre K-12 academic environment. The measures included in NCLB require the following: 1) increased accountability for all responsible authorities - states, school districts, and schools; 2) greater school choice for parents whose children are attending low-performing schools; 3) more flexibility for states and LEAs in their use of federal education funds; and 4) a focus of resources on proven educational methods, particularly relating to early reading programs.

16. Resolutions to submit amendment for the FY 2012 Race to the Top, Phase 3 in the amount of \$63,422.43.

The State's comprehensive educational reform vision is to ensure that all children, regardless of life circumstances, graduate from high school ready for college and career. The Race to the Top Phase 3 (RTTT3) subgrant program will help New Jersey greatly advance its priority initiatives so this vision can be realized. On December 22, 2011, New Jersey received \$37,847,648 from RTTT3 to support the following initiatives: The development of a model curriculum by Fall 2012, aligned to the Common Core State Standards (CCSS) and with a focus on Science, Technology, Engineering, and Mathematics (STEM) to support the statewide transition to the CCSS; The development of an Instructional Improvement System (IIS), an online portal to deliver model curriculum, formative assessments, data reporting, professional development resources, and other curricular resources aligned to the CCSS, to the school-level; The transition to new principal and teacher evaluation systems; and Support for the State's charter application and renewal review cycles.

21. **Whereas**, the Pleasantville School District and City of Pleasantville desire to provide the services of police officer(s) assigned to the school district on a Full-time basis; and

**Whereas**, both parties recognize the potential benefits of this program to the citizens of the municipality and to the students and staff of the school district; and

**Whereas**, it is in the best interests of the school district and the municipality to establish this program,

**It Is Therefore Agreed**, that the municipality shall supply (1) one police officer(s) to the school district during the 2014-2015 school year pro-rated for days from April 01, 2015 through June 30, 2015.

Although assigned to the school on a full-time basis, a police officer so assigned remains an employee of the municipality and its police department. The officer shall remain subject to all rules and regulations of the police department and shall not be considered an employee of the school district.

The duties to be performed at the school by an assigned officer shall be assigned through the municipal police chain of command, in cooperation with the Superintendent of Schools and/or the Superintendent's designee.

The Chief School Administrator and the Chief of Police shall maintain open communication concerning the progress and effectiveness of the program.

The school shall provide the officer with a telephone and office space where students can meet and speak privately with the officer. The office must be able to be properly locked and secured.

If possible, the office should be in a central location in the school building and easily accessible to students, faculty and school administrators.

The program shall be funded as follows:

180	DAYS (Pro-rated for days from April 01, 2015 through June 30, 2015)
<u>\$415.00</u>	PER DAY
<u>\$74,700.00</u>	TOTAL AMOUNT NOT TO BE EXCEEDED (Pro-rated for days from April 01, 2015 through June 30, 2015)

**PLEASANTVILLE BOARD OF EDUCATION  
CURRICULUM & INSTRUCTION  
AGENDA ITEMS  
Workshop Board Meeting  
Tuesday, April 21, 2015  
MINUTES**

The Superintendent of Schools recommends adoption of the following:

**RESOLUTION**

The Pleasantville Board of Education is committed to ensuring all students succeed academically and reach their full potential in life. In doing so, it is also committed to providing opportunities for and ensuring that all students (inclusive of English Language Learners and Special Education Students) meet the New Jersey Common Core State Standards and achieve academic and long-life success.

47. Be it resolved that the Pleasantville Board of Education approve the required Curriculum revisions/updates as noted below:

### **Work Product #1**

Completion of the missing units of study. These units are contained in the excel worksheet as blank. This should be the first curricular work to be completed. They must be finished for the June 30 review.

Others units must have more comprehensive sections and should be revised- these are in yellow. This is often in the instruction and planning section which should include a more detailed break-down of topics and days allotted. It should not list **Units 5-10- 4 weeks**. Please try to break the information down further.

Others are missing the 21<sup>st</sup> century skills section. If you used an early template, you may have to add this section in.

The additional columns have been added. These include:

- Standard alignment at the unit level
- Course description
- Unit description
- Course mapping

The deadline for the standard alignment is listed as April 24. @ 9 coaches at \$30.00 per hour, per person. Not to exceed 30 hours or \$8100.00. Deadline is April 24<sup>th</sup>, 2015.

**Work Product 2**

The middle school science opted to use the Howard County science curricula as a basis for revisions to the science progression at their level, per their principal. This will focus on earth science at the 6<sup>th</sup> grade level, life science at the 7<sup>th</sup> grade level, and physical science at the 8<sup>th</sup> grade level. They worked to outline the first pages of all units and will fill in related areas during our next session. The high school teachers worked on environment science, physics, and biology. We need some additional support for principles of science and chemistry.

**@ 9 coaches at \$30.00 per hour, per person. Not to exceed 10 hours. Deadline is June 30th, 2015.**
