After Motion and Second – Questions/Discussion:

Ms. Famularo

“Did this come out of Curriculum?”

Mr. Mulvihill

“Yes. The technical specifications came out of Curriculum. ..The Business Office put the required documentation together...We just put it together, but yes, this was totally done by the Curriculum Department. “

Ms. Famularo

‘We had to pick one of these two?’

Ms. Famularo

“...We just had a RIF....we know, we have Principals that can be doing evaluations.....  
 ...The High School has Assistant Principals....The Middle School has Assistant Principals.”

Mr. Mulvihill

“Yes. We picked what was for our District.”

Ms. Famularo

“...It’s state mandated?..”

Ms. Seymore

“Yes... It’s state mandated....I don’t have time to argue about anything that’s state mandated. ..I’m on the Committee...”

Ms. Famularo

"Where is the money coming from?"

Mrs. Seymore

"It's for the children; they'll find it."

Mr. Mulvihill

"Part of it is coming out of Federal Programs and the other part is coming out of the budget."

Prior to Mr. Page's vote, he asked if the funds were budgeted for this item, and Mr. Mulvihill confirmed that there are funds in the account for this program.

Dr. Bailey addressed the Board regarding items such as Teachscape being part of the plan in support of State Mandates to improve student. There was no Retreat to review Goals and so forth.

Mr. Davenport expressed that the information should have been given to the Board during reorganization and not "last night"; and that the Board receives the packet on Friday, and it should be given to them earlier.

Dr. Bailey explained and discussed that Committee Meetings were canceled – Finance and Personnel.

Mrs. Bey-Blocker confirmed that Human Resource (Committee) Meeting was canceled.

Ms. Famularo explained that the Finance Committee meeting was canceled by her, and Mr. Page was not available. She explained the email correspondences, and her request of details of Hurricane Sandy expense, RIF's and budget amounts of positions.

Mrs. Bey-Blocker

"For the record, on January 24<sup>th</sup>, I sent a letter to Dr. Bailey, Mr. Riehman, Mr. Mulvihill to please give Committee Chairs information....So this nonsense of what's going on now, I don't understand...But I did submit it to all the Chairperson..."

Dr. Bailey

"And I agree. You should have exactly what you ask for, exactly what you ask for...."

The things that you ask for should be in junction and in support of the Agenda. ..

They can have anything, unless it's borderline personnel ...

The Board of Educaiton Committee comes to the Committee Meeting and that supports the Agenda...

To me, when it comes to Finance, you have a lot of information to vote on....

All I ask is that the feeder comes from the Board President....

It's not that they can't have it; just imagine getting 45 request s from one person."

Mrs. Bey-Blocker

"This is something that has to go to the Board office....maybe we need to talk about this in administration. A couple of Board members feel like they are being escorted to the office like criminals..."

Dr. Bailey

"It doesn't matter. No one should be up and down in the school hallways without a purpose..."

Mr. Bright - "Is there a policy on that. I understand a "Visitors" Policy, but as a Board Member, we are not a Visitor."

Mr. Raymond Hamlin (of Hunt, Hamlin & Ridley) addressed the Board regarding “there was another matter that we discussed in closed session which is the subject of some litigation; and there was a document that was referred to that I have not yet seen. We talked about the possibility of filing an Appeal in that matter. Where I had indicated that I would file an Appeal and do so pro-bono seeking a Stay. If the Stay is granted, then, It wouldn’t be pro bono, but the appeal up to the Stay – depending on what the Appellate Division says, I would do that. I just wanted some clarification from the Board if they wanted me to proceed in that direction.”

Some Board Members followed with a “Yes.”

Mr. Mulvihill inquired about taking a vote.

Mr. Hamlin stated, “You can.”

Resolution spoke by Mr. Raymond Hamlin of Hunt, Hamlin & Ridley as follows:

The Superintendent has been asked to meet and present at a City Council Meeting for Pleasantville.
