8. **RESOLVED**, that the Pleasantville Board of Education approves the high school to participate in the New Jersey Department of Education yearlong cohort designed to develop effective strategies to improve academic achievement within the business education and math departments. The initiative will require two business education teachers to pair up with two math teachers to create lesson plans that integrate math into the Career and Technical Education curriculum. A stipend will be paid to the teachers directly from the NJDOE. The program will require the teachers to attend four (4) to six (6) professional development days during the school year to review the lessons and evaluate the performance data. This program is no cost to the district.
