9. Public Comments. Please limit comments to (3) minutes and all comments should be courteous.

COMMENTS –

ROHONDA MING – 486 Manner Dr., Absecon

Student was kicked out of school. The Principal was ignorant and rude during discussion.

DEAN GARY – Former Board Member 2000-2006

Concerned about another superintendent's termination and keeping only her accountable. Asked that the children be the focus and the superintendants qualifications be judged on the students' performance and the graduation rates.

JEROME PAGE – 213 W. Pleasant Ave.

Expressed disappointment with the Board and what he was witnessing. Stressed that the mold and facilities investigation must be timely, objective and fair.

GERALDINE HARE – Pleasantville, New Jersey

Asked for cooperation among all parties and putting the education of the students by the Boards top priority.

DEVON MOORE – 225 W. Leeds Avenue, Pleasantville

Was embarrassed by the letter sent to the State.

ROBIN DENNIS – Leeds Avenue School Teacher

Spoke about the necessity of moving students to makeshift classrooms. The teachers who made it work had to stay beyond contractual time because of bus delays when transporting children. Also books and supplies were thrown out and need to be replaced. Many teachers have had to resupply. Requested that teachers be compensated for their expenses.

LOTTIE BAILEY – 207 W. Wright Street

Had a heavy heart. Blamed taxpayers for voting in the Board Members.
