GENERAL INFORMATION

Purpose

In September 2008, the State Board of Education re-adopted N.J.A.C. 6A:7, Managing for Equality and Equity in Education, which outlines responsibilities for achieving and maintaining compliance with state and federal laws governing equity in educational programs. As a result, all school districts, including charter schools and renaissance school projects are mandated to develop a three-year Comprehensive Equity Plan (CEP). The first CEP encompassed school years 2004-2007, the second encompassed 2007-2010 and subsequent to that, school districts and charter schools submitted signed statements of assurance, affirming compliance with the code. The responsibility of each board of education and board of trustees of every public school district, charter school and renaissance school project in New Jersey is to identify and correct all discriminatory and inequitable policies, programs, practices and conditions within or affecting schools. The role of the New Jersey Department of Education (NJDOE) is to ensure that each district, charter school and renaissance school project complies with equality and equity requirements, and to provide guidelines to accomplish that result.

The Comprehensive Equity Plan enables school districts, charter schools and renaissance school projects to demonstrate compliance with all applicable laws, codes, and regulations, including, but not limited to, the following:

Federal Laws

- Titles VI and VII of the Civil Rights Act of 1964
- Title IX of the Education Amendments of 1972
- Section 504 of the Rehabilitation Act of 1973
- Equal Pay Act
- The Americans with Disabilities Act of 1990
- Individuals with Disabilities Education Act (I.D.E.A.)

State Laws and Regulations

- Article I, Paragraph 5 of the New Jersey State Constitution
- N.J.S.A.18A:36-20, Equality in Educational Programs
- N.J.S.A.10:5 New Jersey Law Against Discrimination
- New Jersey Administrative Code (N.J.A.C.) 6A:7
- N.J.S.A. 18A:35-1, History of the United States and New Jersey
- N.J.S.A. 18A:36-20, Prohibition of Discrimination

Questions

Questions regarding the development, submission and implementation of the Comprehensive Equity Plan may be sent to countyoffices@doe.state.nj.us. Additionally, questions may be directed to the county education specialist at the County Office of Education. The contact list for the county offices of education can be found at <http://www.state.nj.us/education/counties/>.

INSTRUCTIONS FOR COMPLETION OF THE COMPREHENSIVE EQUITY PLAN

Step 1: Establish the Affirmation Action Team, N.J.A.C. 6A:7-1.5 (Appendix A)

Each district, charter school and renaissance school project shall annually designate a member of its staff as the affirmative action officer (AAO) and provide a resolution approving the AAO. The district, charter school and renaissance school project shall form an affirmative action team (AAT) – a minimum of three individuals – of whom the AAO is a member, to conduct a needs assessment and to develop the CEP. The Department encourages districts, charter schools and renaissance school projects to ensure a diverse stakeholder group and to invite a member of the community as part of the team. The members of the AAT must be identified on the form provided in this manual—Affirmative Action Team Membership Form.

Step 2: Conduct Needs Assessment (Appendix B)

Each school district, charter school and renaissance school project board shall use the Appendix B entitled, “*Comprehensive Equity Plan Needs Assessment Checklist*,” to conduct a needs assessment of each school. This document is intended to be used as a checklist to help the AAO and the AAT identify problem areas. It must be submitted to the county office as part of the documentation that accompanies the Comprehensive Equity Plan. When citing documentation, you must include the document title, date of board of education or board of trustees adoption or page number in the document being provided. In conducting the needs assessment, the AAT will ascertain whether the school district (and each school within the district), each charter school or each renaissance school project is in compliance with each requirement in the checklist and whether there are internal monitoring procedures in place to ensure continuing compliance. Those items that need correction, or require an internal monitoring procedure or system will form the basis for the improvement strategies that will be proposed in the CEP.

The “Comprehensive Equity Plan Needs Assessment” checklist contains four sections:

- I. **Board Responsibility** - This section sets forth the types of policies and resolutions that the Board must adopt (create if nonexistent, revise if existing but deficient) in order to comply with applicable law. This section outlines specific areas that must be addressed in these policies and resolutions.
- II. **Staff Development** - Staff development and training on equity matters is required annually for all staff, certificated and non-certificated.
- III. **School and Classroom Practices** - This section sets forth the equity requirements for four categories: curriculum, student access, guidance and physical education/athletics.
- IV. **Employment/Contract Practices** - This section outlines the basic practices that must be observed to comply with equity requirements in employment contract regulations.

Note that at the beginning of each section of the Needs Assessment, the laws and regulations that specifically apply to the section have been provided for your convenience. The Department encourages the AAT preparing the CEP to refer to these sources of legal authority and become acquainted with the mandates they contain.

Step 3: Develop the Comprehensive Equity Plan (CEP) (Appendix C)

After identifying the items that need correction, improvement strategies covering the next three years must be developed for each one of these identified items. For this purpose, forms specific to each assessment area are provided with this packet:

- I. **Board Responsibility**
- II. **Staff Development**
- III. **School and Classroom Practices** (One for each sub-area: Equality and Equity in Curriculum, Equality and Equity in Student Access, Equality and Equity in Guidance Programs and Equality and Equity in Physical Ed/Athletic Programs)
- IV. **Employment and Contract Practices**

The plan to correct/address each identified item must be contained in the form covering the corresponding assessment area. Use the needs assessment categories and sub-categories as your guide. Each form contains space to include each of the elements of the plan. For each form:

Identify items that were not compliant – Enter the section or subsection of noncompliance identified in the Needs Assessment. If a school within a district is not compliant; identify the school(s) by name. If the district, charter school or renaissance school project itself is not compliant, enter “district wide, charter school-wide or renaissance school project-wide.” If one school is out of compliance, the entire district is considered noncompliant and a plan to address the noncompliant schools must be developed.

Develop improvement strategies – List each identified need from the corresponding number in the Needs Assessment (e.g., I.D.1) together with the strategies/activities to improve or correct the deficiency. Strategies must be specific, measurable, achievable, realistic and time-bound (S.M.A.R.T.).

Assign staff responsible – List the names and titles of the personnel that will implement the proposed strategies/activities.

Plan the implementation timeline - Indicate the year or specific timeframe that the strategy or activity will take place, i.e. 2016-2017 school year; 2017-2018 school year, ongoing, etc.

Provide evidence of completion – List the indicator(s) and/or documentation that will be made available for review, if requested, to verify that the identified need is being or was corrected. Use qualitative or quantitative methods depending on the type of problem that is being corrected. This will set forth the basis for approval of the CEP.

More than one “identified item as deficient or non-compliant” and accompanying strategies to correct the problem can be included on one form, or a separate form may be submitted for each.

Step 4: Complete the Statement of Assurance (Appendix D)

The Statement of Assurance must be submitted with the Comprehensive Equity Plan to ensure compliance with statute and regulation. The Chief School Administrator, Charter or Renaissance School Project Lead Person must sign and date the Statement of Assurance in the space indicated at the bottom of the form.

Step 5: Obtain the following Board resolutions and attach them to the CEP:

The following Board resolutions must be attached to the CEP:

1. Annual resolution appointing the Affirmative Action Officer for 2016-17 school year;
2. Resolution authorizing the submission of the proposed Comprehensive Equity Plan.

Step 6: Assemble the submission package in this order:

1. Statement of Assurance (Appendix D)
2. Resolution appointing the Affirmative Action Officer
3. Resolution authorizing the submission of the proposed Comprehensive Equity Plan.
4. List of Affirmative Action Team members (Appendix A)
5. Comprehensive Equity Plan Needs Assessment Checklist (Appendix B)
6. Comprehensive Equity Plan forms (Appendix C)

Step 7: Submit the CEP

Submit the CEP to the County Office of Education on or before Friday, April 1, 2016. For your convenience, a list of addresses of the County Offices of Education can be accessed on the NJDOE website at, <http://www.state.nj.us/education/counties/>.

**After approval and implementation of the comprehensive equity plan, each school district, charter school and renaissance school project is required to submit an annual statement of assurance to their respective county office of education by September 1, 2017 and September 1, 2018 (Appendix D).
