MULAN JR

A huge thank you goes out to the students and staff who put on the spring production of Mulan Jr. We would also like to thank all of the family and friends who came out to support the actors and actresses before a busy holiday weekend. The play was great and we were also able to have a successful night fundraising for the program.

LEEDS Elementary Spring Cleanup Project

The Leeds Avenue 21st Student Council led an effort to beautify their neighborhood and community. The ACUA provided all the equipment and the students provided all of the work picking up trash up and down Leeds Ave., and around campus. The students collected dozens of bags of trash and recycling and provided an excellent community service. Below: community clean up.
