Q: Why should I participate in NJWELL?

A: **NJWELL** is a comprehensive program, designed to help SHBP and SEHBP members and their covered spouses or partners improve their overall health and wellbeing. **NJWELL** will help you identify potential health risks and give you an opportunity to speak to a counselor or doctor about your 'health indicators.' In addition, participants receive financial rewards for earning enough points to meet **NJWELL**'s health and wellness goals.

Q: Does it cost me anything to participate in NJWELL?

A: **NJWELL** is a free program available to all actively employed members of the SHBP and SEHBP. If you earn a financial reward for your participation, the value of the reward is considered taxable income.

A: Your individual results will be kept completely confidential. Any Personal Health Information (PHI) gathered during the screening or assessment is protected by federal and state privacy laws including the Health Insurance Portability and Accountability Act (HIPAA). “Aggregated data” may be reported in order to develop future **NJWELL** initiatives and activities that will benefit SHBP and SEHBP members based on the health needs of the entire population.

Q: What happens if I change employers during the year?

A: If you transfer from a participating SHBP or SEHBP employer to another participating SHBP or SEHBP employer, any points earned by you or your spouse in **NJWELL** will transfer with you, as long as you remain enrolled in a SHBP or SEHBP health plan as an active employee.
