

CONGRATULATIONS!

NORTH MAIN STREET SCHOOL

North Main Street School named Apple Distinguished School

Pleasantville, NJ — December 2, 2022 — North Main Street School is pleased to announce that it has been recognized as an Apple Distinguished School for 2022–2025 for its unique implementation of Apple technology and how that prepares our students for their future careers.

Apple Distinguished Schools are centers of innovation, leadership, and educational excellence. They use Apple technology to inspire creativity, collaboration and critical thinking in learning, teaching and the school environment, and have documented results of academic accomplishment.

"Technology in the classroom prepares our students to be productive citizens in an ever changing society. Our students are continually exploring new ways of learning and creating which have yielded exciting results," states Teresa McGaney-Guy, NMSS Principal. The selection of North Main Street School as an Apple Distinguished School highlights our success as an innovator in a compelling learning environment. North Main Street School engages students and provides tangible evidence of academic achievement. This integration of technology in the academic setting will lead the way for future careers in engineering, design, computer programming and development.

North Main Street School is an elementary school that serves the community of Pleasantville, New Jersey. Pleasantville is an urban location with a population of just over 20,000 only a few miles from Atlantic City, New Jersey. North Main Street School currently houses 350 students in Pre K-5th grade.
