

PLEASANTVILLE PUBLIC SCHOOLS

IMPORTANT ANNOUNCEMENT

ANNOUNCEMENT

As smoke continues to pollute the air in our community due to Canadian wildfires, health experts are strongly advising everyone to limit outdoor activities and keep our students indoors. So the following precautions have been taken to protect our students:

- Outdoor trips are cancelled until further notice
- Chromebooks were sent home just in case we are informed to shut school down tomorrow for Virtual Instruction. (WE WILL HAVE SCHOOL TOMORROW UNTIL FURTHER NOTICE). If we have school tomorrow students will need to return with their Chromebooks.
- If there is no school tomorrow hotspots will be available at your child's homeschool if needed.

***ALL SCHOOLS ARE OPEN JUNE 9, 2023
UNTIL FURTHER NOTICE.***
