

Pleasantville's Xander Roberts-Bogin and Semaj Williams make college decision

Congratulations!

Xander Roberts-Bogin and Semaj Williams made their college decisions and signed their NLI's in front of a packed house at Pleasantville High School on Monday. Roberts-Bogin is heading to Delaware St. where he will run track on scholarship and play football as a preferred walk-on. The senior, who placed seventh at the Nike Indoor Nationals last year, recently set a South Jersey and school record in the 500m indoor at the U.S. Army Officials Hall of Fame Invitational in New York. Williams, who is a sprinter and a member of Pleasantville's 4x400m relay team, will be heading to Holy Family University in the fall to run track.
