Ms. Cassandra Shellhorn
Director of Community Services
The Center for Family Services
3073 English Creek Avenue
Egg Harbor Twp., NJ 08234

Dear Ms. Shellhorn:

The Coalition for A Safe Community fully supports the efforts of The Center For Family Services (CFS) to enrich the lives of children by strengthening families and the community through the provision of Family Success Centers in Atlantic County.

For the past 24 years, CFS has been providing two high-quality, family centered Family Success Centers, the Inland Family Success Center in Egg Harbor Township and the New Day Family Success Center in Galloway Township. CFS's Family Success Centers are a one-stop shop for the families of the community. Their mission is to provide families with a community based, family-centered neighborhood gathering place where any community resident can go for family support, information and services. The lives of community children and adults are being improved by making families stronger and empowering them to succeed.

Furthermore, CFS's high quality provision of Family Success Centers for the past 24 years in Atlantic County, have been delivered with attentiveness to detail and impactful to participating families. We hope to continue to have these quality services available to individuals and families within the Egg Harbor and Galloway township communities for years to come.

CFS has been an exemplary social service agency in the Atlantic County region since 1909 and has been instrumental in providing comprehensive services to families. CFS has been uniquely successful in creating synergies among both CFS and community programs to continue supporting its families through inking them with one of CFS's Family Success Centers and other community programs.

We are proud to be affiliated with The Center For Family Services and will continue to support their efforts in serving our community.

Sincerely,

All it takes is your voice to change everything.
