### Delivery

All items or their equivalent are to be delivered to the identified Board of Education location and taken off the truck by transportation carrier personnel and brought to a designated area inside the school cafeteria. The Board reminds all bidders that bid prices for equipment are to include all freight and spotted delivery to the kitchen sites, uncrating of equipment, standard industry assembly and installation, if necessary, and removal of all debris. The Board will not pay any other delivery charges. School district personnel will not be able to assist in the delivery process.
