## Pleasantville High School Freshman/Sophomore Orientation

Seven of our Cadets volunteered to escort students during the Pleasantville Freshman/Sophomore Orientation on August 24th and 25th. The Cadet's welcomed and escorted both classes of students who had never entered the building due to last year's mandatory virtual learning. The Cadets ensured that incoming students attended a newcomers brief, received a personal tour of the building, and had some fun. Our Cadet Leaders also set up a recruitment booth to educate students on the opportunities that JROTC has to offer students.

## Greyhound Battalion Drill Competition

Pleasantville High School JROTC Drill Team took second place overall in their home competition on November 20, 2021. The Greyhounds made a huge comeback after Covid-19 and are looking forward to a winning year. After months of dedicated practice, the Cadet's hard work paid off and the Greyhounds were happy with the final results. GO GREYHOUNDS!!

## Junior Achievement Community Service Project

Pleasantville High School completed this year's first community service Junior Achievement project on December 3, 2021 at . South Main Street Elementary School. The JROTC cadets worked hard rehearsing and putting the lessons together for the elementary students, and the kids enjoyed being around the cadets for the day. The Cadets worked hard to improve their teaching skills and are looking forward to their next Junior Achievement project.
