Dear Pleasantville Public Schools Community:

Yesterday morning a suspicious man followed and approached a Pleasantville Middle School Student on her way to school. One of our school bus drivers was driving by and witnessed the incident and pulled over immediately to provide assistance. The Pleasantville Police Department was immediately notified and the suspect was apprehended. We thank the Pleasantville Police Department for their quick response and apprehension of the suspect. As a follow-up to the District's "See Something Say Something" campaign, please remind your children to remain aware of their surroundings, walk with a friend, and report any suspicious persons or cars to an adult. With everyone working together we can keep our children safe.

Sincerely,
