

NETWORK SERVER INFRASTRUCTURE UPGRADES

PPS 23-28

RESPONSE TO GENERAL QUESTIONS

1. This bid is not considered a public works project and as such does not require prevailing wage or a surety bond.
2. A 10% bid guarantee, not to exceed \$20,000.00 is required.
3. Regarding the surveillance server, PPS has support with Milestone.
4. Recycling, a list of the equipment is not currently available, but we should assume that a rack and current production hardware that is being replaced will be recycled after enough time has passed for the upgrade, migration and testing to be completed.
