

# Military Opt Out

Each year New Jersey and Federal Laws and Regulations require school districts “to provide, upon request by military recruiters, grade 11 and 12 students’ names, addresses, and telephone numbers, unless a secondary school student or the parent of a student has requested that this information not be released without prior written parental consent.”

**Military Opt-Out release form is available here: [Military Opt Out](#)**

Military opt-out is now available through this web page. Parents of Juniors and Seniors should complete this form for submission of non-consent to share student information with military, college, and employer recruiters by October 31 of each school year.

Should you choose not to submit an Opt-Out Form, your 11th/12th grade student’s contact information will automatically be included and shared with military recruiters. This form must be filled out and submitted each year for Juniors and Seniors.
