September 9, 2023

Dear Parents/Guardians,

Welcome to another week of the 2023-2024 school year. I hope you had a great summer and are excited for the amazing educational milestones your child will achieve this school year. Thank you for your partnership. I believe that through our collaboration, this year will be fun, exciting, interactive and filled with vigorous learning.

I am pleased to announce our district goals for the 2023-2024 school year as follows: We will

1. Listen and learn from our students, staff, and community perspectives of their beliefs, values, relationships, programs and achievements in our district;
2. Build upon parent/school relationships, community and business partnerships to increase a positive school climate and culture, improve student learning and enhance programs that promote college, career and workforce readiness for students and families;
3. Develop a strategic plan with best practices to improve high quality education and student learning outcomes.

This year, our focus is to make sure all students are learning and achieving and also to demonstrate excellence in customer service throughout all of our departments. If you need assistance, please contact my office, 609-383-6800, ext. 2507.

Just a reminder, please read and review our student code of conduct policy and the student handbook from your child's school. Also, if you drop off or pick up your child, please follow all traffic patterns and laws.

Lastly, our district Back to School Night(s) are listed below. Please make every effort to attend and meet your child's teachers and learn about the educational plan for them.

I look forward to a successful school year.

Educationally Yours,

Dr. Marilyn Martínez
Superintendent
