

Pleasantville Public Schools

Dear Pleasantville Middle School Families,

It is with great excitement and gratitude that I introduce myself as the new Principal of the Middle School of Pleasantville. My name is Ramon Santiago Jr. and I am honored to join this learning community and am committed to continuing the tradition of academic excellence, student growth, and strong school-family partnerships.

With over 23 years in education, I bring a belief that every student deserves to feel seen, supported, and inspired each day. My priority is to ensure that our school is a safe, inclusive, and engaging environment where every child thrives both academically and personally.

Middle school is a time of tremendous growth and change. Our dedicated team of educators are committed to providing rich learning experiences, nurturing strong character, and helping students build the confidence and skills they need for the future. Together, we will empower students to think critically, act responsibly, and treat one another with kindness and respect.

I value open communication and collaboration. Your voice as parents and guardians is essential in supporting student success. In the coming weeks, I look forward to meeting you—whether at Back-to-School Night, community events, or just in passing at drop-off or pick-up. Let's make this school year one of connection, growth, and pride in all that we will achieve together.

With Appreciation and Enthusiasm,

Ramon Santiago Jr.

Principal

Pleasantville Middle School
