Delsea Regional High School Drill competition!

Delsea Drill Competition.

The Pleasantville High School Drill Team had an aggressive plan for December. JROTC competed at Delsea Regional High School on December 12th, 2015. We competed in various challenges that tested our team to the limit. Even though we competed in some difficult events we did fairly well. We earned:
3rd place in Unarmed Platoon Inspection
2nd place in Armed Platoon Regulation
and took home 1st place in Armed Platoon Regulation. The competition concluded when all the schools met up at the school gym and Knock Out began. Once again our fellow Cadet Ashley Carranza placed 1st in all of Knock Out. This was her second overall Knock Out victory--an unheard of accomplishment. Well Done Ashley!

Cadet Sergeant First Class Ashley Carranza.

1SG White Ceremony.

The Greyhound Battalion paid tribute to 1SG Larry J. White by commemorating his retirement from Pleasantville High School. 1SG White taught the program for more than 20 years. 1SG established the program when he retired after 20 years of service in the Army. During the celebration, honors and recognition included a Congressional Citation from U.S. representative Frank LoBiondo, a letter from the Governor of New Jersey Chris Christie citing 1SG White's accomplishments and achievements with the program. He will be missed. Lets hope he visits!

For the new cadets that are going to join our unit always do your best in JROTC, but always put your academics first. JROTC will help you with vital skills to be successful in High School by teaching you to be early to class, be prepared, and be a problem solver. Academics will always take you further in life, while JROTC will enhance your personality and character. Besides just getting good grades you should also explore other programs that JROTC offers such as Drill, Raiders, and Color Guard. Do not forget The Standard is Excellence!
