This includes 4 hours and 34 minutes of direct instruction/ Google Meet times. Please note that students and staff will continue to follow the Day A and Day B schedule as outlined previously.

- Also, please note that on days when classes do not meet with teachers because of A/B schedules, teachers are still available for help and to answer questions about independent work during the Virtual Help Intervention time interval.

Virtual Help/ Intervention, and Small Group Time: Students have the opportunity to speak with teacher via phone, email, or Google Meets for assistance. This time is also designed for differentiation and to provide students with equitable opportunities through Google Meets. The teacher will advise student/ student groups directly about small group meetings. After completing Intervention and small group activities with students, teachers can also conduct student checks during this interval if time permits.

Virtual Lessons: Teachers will provide students with lessons and activities
Student Check: Teachers will reach out to students who have not been in Google Meets or completed work. Teachers will keep a log of these contact times
